

REQUEST FOR PROPOSALS
Professional Engineering, Environmental, and Permitting Services
Kimball Creek Dam Raise Project
(HMGP-4558-548-040)
CITY OF CALISTOGA

The City of Calistoga is accepting requests for proposals to provide environmental, permitting and engineering services for the Kimball Creek Dam Raise Project (HMGP-4558-548-040).

Qualified consulting firms are invited to submit proposals to assist in completing environmental studies and preparing 65% design level plans, specifications and cost estimates (PSE) for removal of an existing underground water pipeline and to be relocated to an elevated crossing on the new Conn Creek Bridge.

Consultants must submit:

- Five (5) bound copies of their proposal, one unbound reproducible copy and one electronic PDF copy. The proposal must be formatted in accordance with the instructions of the Request for Proposal. Promotional materials may be attached, but are not necessary and will not be considered as meeting any of the requirements of this Request for Proposal.
- A work plan with proposed hours and a proposed fee estimate in a separate sealed envelope titled "Kimball Creek Dam Raise Project - Fee Proposal".

Proposals must be enclosed in a sealed envelope or package, clearly marked "City of Calistoga RFP No. DPW 26-01", and delivered by 4:00 p.m. Friday, May 29th, 2026 to: Attn: David Fradelizio, Deputy Public Works Director, 414 Washington Street, Calistoga, California 94515.

Copies of the proposal and appendixes may be downloaded from the City of Calistoga website: (<https://www.calistogaca.gov/Services/Public-Works>).

Any questions regarding the document may be posed in writing to City of Calistoga Public Works Department, Attention: David Fradelizio, Deputy Public Works Director, 414 Washington Street, Calistoga, California 94515, or email: dfradelizio@calistogaca.gov.

Date: April 30, 2026
